McCormack School Support Team

Trinity parishioners and TBF staff members have worked over the past six years to meet numerous needs of the at-risk students at McCormack Middle School and their families. There are new needs that have been identified -- can you help?

Work projects at the school - cleaning, painting, preparing classrooms and the school environs to make them safe, attractive, and inviting; 4-5 projects per academic year.

Donation of household items - some of the 20-30 high risk students live without basic household furnishings - kitchen table, beds, couches, children's car seats, etc.; donations needed 1-2 times per month.

Transportation of household items - large household items need to be delivered to the school by pickup truck or van (either volunteer's or rental); one Saturday per month.

If you are interested in learning more about this proposed new ministry, please **contact** Outreach Manager Katie Day at KDay@trinitychurchboston.org
